1. Register/Login

1.1 Choosing action

You can choose between two actions. You can Login if you already have an account, or create new one if you want to have your own account.

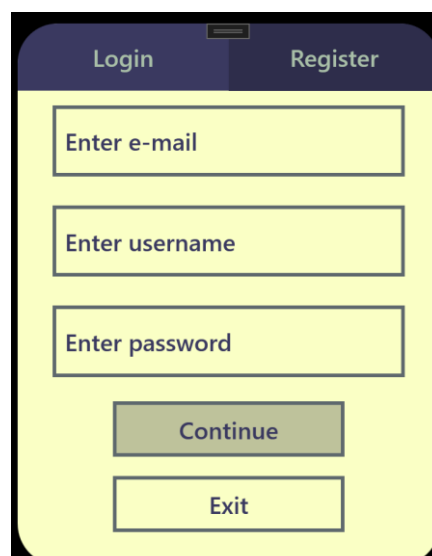

A mobile app interface for login and registration. At the top, there is a dark blue header bar with two buttons: "Login" and "Register". These buttons are circled in red. Below the header, there are three text input fields: "Enter e-mail", "Enter username", and "Enter password". At the bottom, there are two buttons: "Continue" (grey) and "Exit" (white).

1.2 Register

Step 1:

- Go to the Library Manager registration page.
- Enter the following information:
 - Email address – type your valid email (e.g., example@email.com).
 - Username – choose a username
 - Password – create a strong password
- Click Continue.

A mobile app interface for login and registration. At the top, there is a dark blue header bar with two buttons: "Login" and "Register". Below the header, there are three text input fields: "Enter e-mail", "Enter username", and "Enter password". At the bottom, there are two buttons: "Continue" (grey) and "Exit" (white).

Step 2:

- Fill in the second registration form
- Enter your personal details:
 - First Name – type your real first name (e.g., John).
 - Last Name – type your surname (e.g., Doe).
 - Phone number – provide a valid phone number
- Click the Register button to complete the registration.

A mobile application registration form. At the top, there are two tabs: 'Login' and 'Register', with 'Register' being the active tab. Below the tabs, there are three text input fields stacked vertically, labeled 'Enter name', 'Enter surname', and 'Enter phone number'. Below these fields are two buttons: a grey 'Register' button and a white 'Exit' button with a grey border.

1.3 Login

- Open the Library Manager login page.
- Enter your login credentials:
 - Username – type the username you used during registration.
 - Password – type your password.
- Click the Login.
- If the username and password are correct, you will be logged into your Library Manager account.

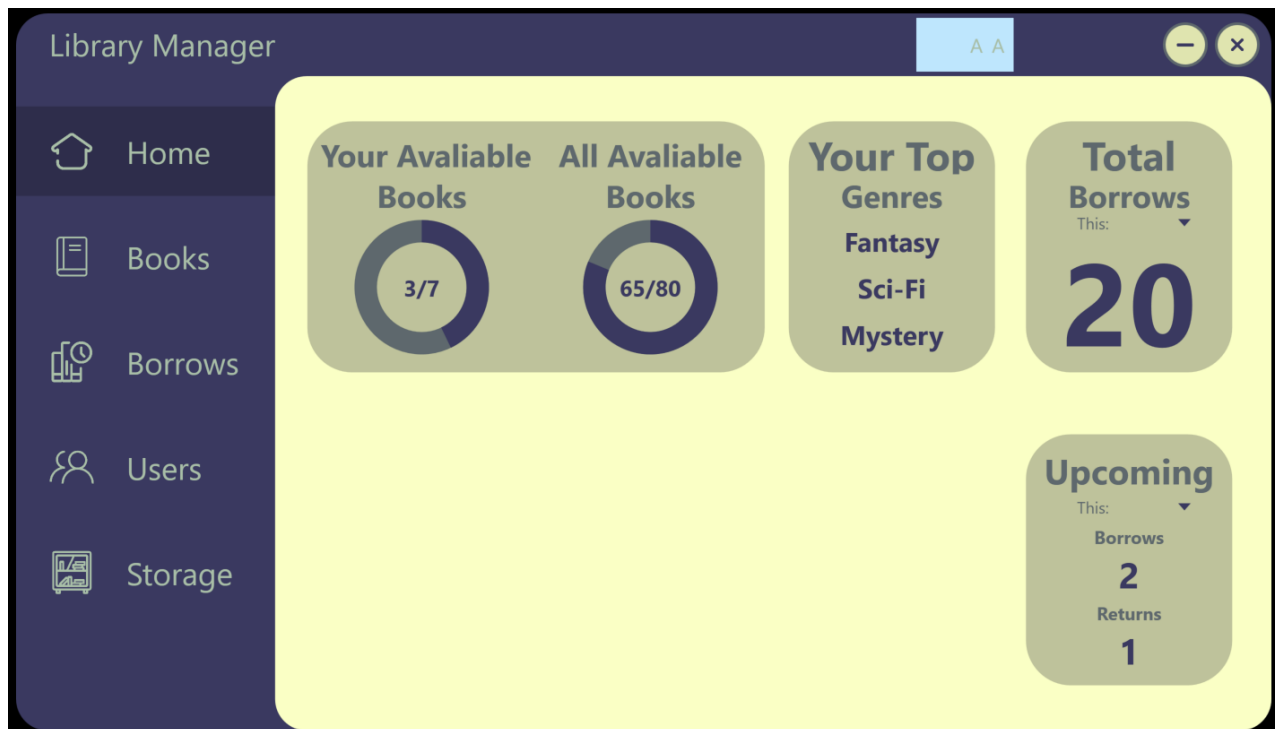

The image shows a mobile application interface for user authentication. At the top, there is a dark blue header bar with two tabs: 'Login' and 'Register'. Below the header, the main content area has a light yellow background. It contains two input fields: 'Enter username' and 'Enter password', both with light yellow backgrounds and dark borders. Below these fields are two buttons: a 'Login' button with a greyish-yellow background and a dark border, and an 'Exit' button with a light yellow background and a dark border. The entire interface is framed by a black border.

2. Menu

2.1 Info User

- On every site there is Info User. If we hover over it, it will highlight.

- If we click, a window with information will appear.

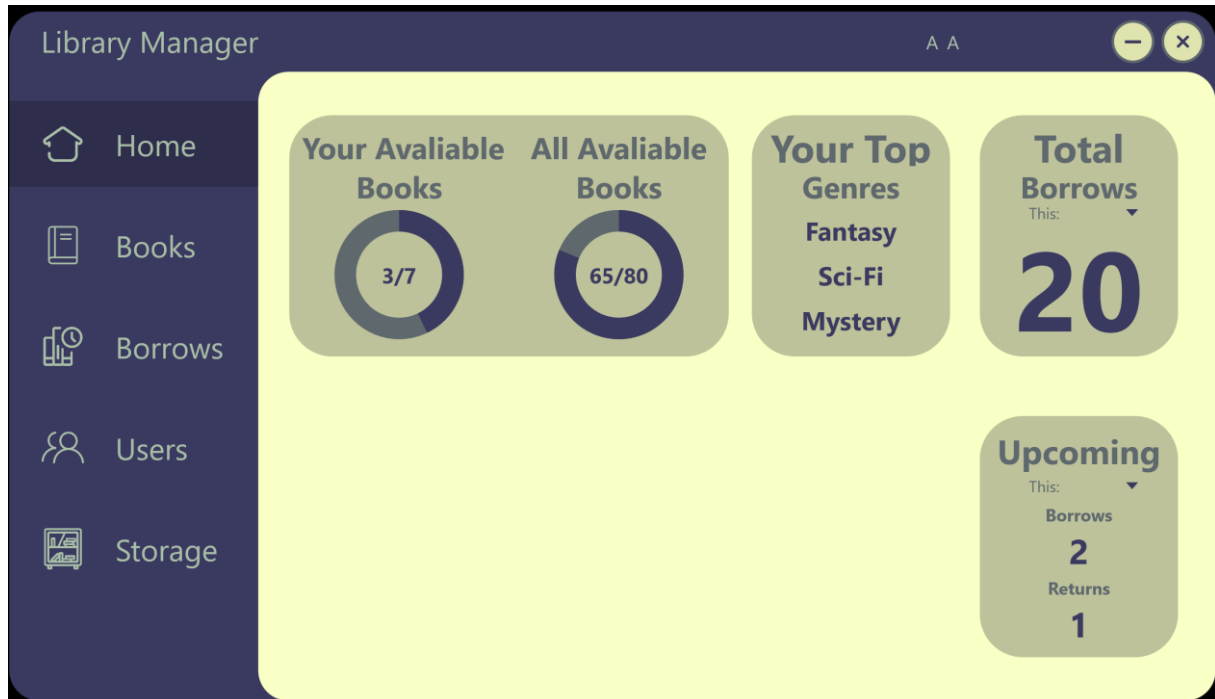

The image shows a modal window titled "Info User" with a close button (X) in the top right corner. The window has a light yellow background and contains the following information:

- Name:** A
- Surname:** A
- Phone:** 123-123-123
- E-mail:** test@mail.pl
- Role:** Admin
- Username:** TestAdmin

2.2 Home

- The main page shows us statistics. Each statistic corresponds to its caption.
- In "Total Borrows" we can choose how we want to see it. We can choose:
 - Year
 - Month
 - Day

- In “Upcoming” we can choose how we want to see it. We can choose:
 - Year
 - Month
 - Day

2.3 Books

- On this subpage we can see all information about the books that are available in our library. There are two pages: “All books” and “Book copies”.

2.3.1 All books

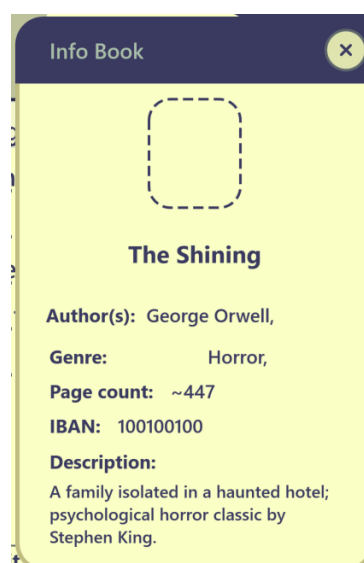

- There are columns:
 - Title
 - Author
 - Genre
 - Page Count
 - Available

- You can search for Title and Author that you are interested with. You can also filter by Page Count and filter if the book is Available or not.

- If you click “Info”, there will appear box with extended informations about the book.

- If you click “Edit”, there will appear box in which you can change every data that refers to this book. You can choose if you want to “Discard” or “Save”

Edit Book

2.6 Storage

- On this page you can see the storage. The informations are:
 - Bookshelf Name
 - Shelf Count
 - Available Storage

- If you click on “i”, new window will appear in which you get detailed information about specific Bookshelf.

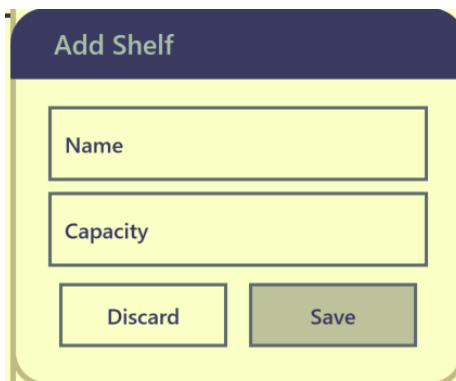

- If you click on edit, new window will appear in which you can change information about specific Bookshelf. You can also add new shelves.
- If you click "Discard", none of the changes will be saved.
- If you click "Save", information will be saved.

The 'Edit Bookshelf' form has a dark blue header with the title 'Edit Bookshelf'. Below the header are four text input fields: the first contains 'test1', the second 'Poland', the third 'Gliwice', and the fourth 'Street'. Below these fields is a section titled 'Shelves:' which contains a table with four columns: 'Id', 'Name', 'Available', and 'Capacity'. The table body is empty. To the right of the table are two small icons: a plus sign in a circle and a trash can in a red circle. At the bottom of the form are two buttons: 'Discard' and 'Save'.

- If you click on “+”, then new window will appear in which you can add the:
 - Name
 - Capacity
- If you click "Discard", none of the changes will be saved.
- If you click "Save", information will be saved.

The 'Add Shelf' form has a dark blue header with the title 'Add Shelf'. Below the header are two text input fields: the first is labeled 'Name' and the second is labeled 'Capacity'. At the bottom of the form are two buttons: 'Discard' and 'Save'.

- If you click on “+” and then “Add Shelf”, new window will appear in which you can add the:
 - Name
 - Capacity
 - Bookshelf name
- If you click "Discard", none of the changes will be saved.
- If you click "Save", information will be saved.
